27 the following new subsection:

28 NEW SUBSECTION. 2A. *Review and approval of plans.*

29 a. The plan adopted by the board of supervisors as provided  
30 in subsection 2 shall be submitted to the state commissioner of  
31 elections for review and approval. To facilitate this review,  
32 each applicable temporary county redistricting commission  
33 shall notify the state commissioner of elections when the  
34 boundaries of supervisor districts will be changed or newly  
35 divided pursuant to a change in the county representation plan,

1 shall provide documentation as to when the board of supervisors  
2 approved the new supervisor district plan, shall provide a map  
3 delineating the new boundary lines, and shall certify to the  
4 state commissioner of elections the populations of the new  
5 supervisor districts as determined under the latest federal  
6 decennial census.

7     *b.* (1) The state commissioner shall reject a county  
8 supervisor districting plan submitted to the state commissioner  
9 if a valid petition requesting that the legislative services  
10 agency prepare the supervisor districting plan for the county  
11 is filed with the state commissioner of elections, on a form  
12 prescribed by the state commissioner, within thirty days after  
13 the plan is approved by the board of supervisors. For purposes  
14 of this subparagraph, a petition is a valid petition if signed  
15 by eligible electors of the county equal in number to at least  
16 two percent of the total votes cast in the county for the  
17 office of governor at the last preceding general election  
18 for governor. In addition, the petition shall include the  
19 signatures of the eligible electors, a statement of their place  
20 of residence, and the date on which they signed the petition.  
21 If a date of signature on a petition is a date prior to the date  
22 the board of supervisors approved the plan, the signature shall  
23 not be counted.

24     (2) Upon determining that a valid petition has been filed  
25 with the state commissioner, the state commissioner shall  
26 notify the legislative council which shall, upon the request of  
27 the state commissioner, direct the legislative services agency  
28 to prepare a supervisor districting plan for the county. The  
29 legislative services agency shall draw the plan, based to the  
30 extent possible upon the precinct plan adopted and approved by  
31 the state commissioner for use by the county, in accordance  
32 with the standards of section 42.4, to the extent applicable,  
33 and such other legal requirements applicable to county  
34 supervisor districts. The legislative services agency shall  
35 submit the plan to the board of supervisors for the county who

1 shall approve or reject the plan as expeditiously as possible,  
2 but no later than thirty days after the plan is submitted. The  
3 board of supervisors shall notify the state commissioner of the  
4 action taken and, if the plan is rejected, provide the state  
5 commissioner written reasons for the rejection of the plan. If  
6 the plan is rejected, the state commissioner shall notify the  
7 legislative council which shall, upon the request of the state  
8 commissioner, direct the legislative services agency to prepare  
9 a second supervisor districting plan for the county. The  
10 legislative services agency shall draw the plan in accordance  
11 with the standards for a supervisor districting plan as  
12 described in this subparagraph and, insofar as it is possible  
13 to do so within the requirements for a supervisor districting  
14 plan, in accordance with the reasons cited by the board of  
15 supervisors by resolution for the rejection of the first plan.

16 The legislative services agency shall submit the second plan to  
17 the state commissioner who shall impose the plan on the county.

18     *c.* (1) If a valid petition as provided by paragraph "b" is  
19 not filed with the state commissioner, the state commissioner  
20 shall review the plan submitted and shall approve the plan if  
21 the plan meets the standards of section 42.4 and such other  
22 legal requirements applicable to county supervisor districts  
23 and precincts.

24     (2) If the state commissioner finds that the plan does  
25 not meet the standards of section 42.4 and such other legal  
26 requirements applicable to county supervisor districts or  
27 precincts, the state commissioner shall reject the plan, and  
28 the board of supervisors shall direct the commission to prepare  
29 and adopt an acceptable plan. If it is necessary for the  
30 temporary county redistricting commission to make subsequent  
31 attempts at adopting an acceptable plan because the initial  
32 proposed district or precinct plan has been rejected pursuant  
33 to this subparagraph, the subsequent plans do not require  
34 public hearings.

35     *d.* Upon failure of a temporary county redistricting

1 commission to make the required changes in supervisor district  
2 boundaries by the dates specified by sections 331.203,  
3 331.204, and 331.209 as determined by the state commissioner of  
4 elections, the state commissioner of elections shall make or  
5 cause to be made the necessary changes as soon as possible, and  
6 shall assess to the county the expenses incurred in so doing.  
7 The state commissioner of elections may request the services of  
8 personnel and materials available to the legislative services  
9 agency to assist the state commissioner in making required  
10 changes in supervisor district boundaries which become the  
11 state commissioner's responsibility.

12 Sec. 7. Section 331.210A, subsection 4, Code 2013, is  
13 amended to read as follows:

14 4. *Termination.* The terms of the members of the temporary  
15 county redistricting commission shall expire twenty days  
16 following the date the county's supervisor district plan and  
17 corresponding precinct plan, if applicable, are approved or  
18 imposed by the state commissioner of elections under ~~sections~~  
19 section 49.7 and 331.209 this section.

20 Sec. 8. Section 331.248, subsection 2, paragraph h, Code  
21 2013, is amended to read as follows:

22 h. Provide for a representation plan for the governing body  
23 which representation plan may differ from the representation  
24 plans provided in section 331.206 and in chapter 372. If the  
25 plan calls for representation by districts and the charter  
26 has been approved in a county whose population is one hundred  
27 eighty thousand or more, the plan shall be drawn pursuant to  
28 section 331.210A, subsection 2, paragraph "f". The initial  
29 representation plan for such a county shall be drawn as  
30 provided in section 331.210A, subsection 2, paragraph "f",  
31 within one hundred twenty days after the election at which the  
32 charter is approved. For the initial representation plan,  
33 the charter commission shall assume the role of the governing  
34 body for purposes of this paragraph ~~and~~, section 331.210A,  
35 subsection 2, paragraphs "d" ~~through~~ and "f", and section

1 331.210A, subsection 2A.

2 EXPLANATION

3 This bill concerns county supervisor districting plans.

4 Under current law, following adoption by the county  
5 supervisors of a county supervisor districting plan, an  
6 eligible elector from the county may file, within 14 days of  
7 adopting the plan, a complaint with the state commissioner of  
8 elections (the secretary of state), alleging that the plan was  
9 drawn for improper political reasons. Once filed, current law  
10 provides that the complaint be forwarded to the ethics and  
11 campaign disclosure board for a determination of whether the  
12 plan was improperly drawn.

13 The bill eliminates the complaint process relative to  
14 the ethics and campaign disclosure board. Instead, the bill  
15 provides that if following the adoption of a county supervisor  
16 district plan a valid petition is filed with the state  
17 commissioner of elections, the state commissioner shall reject  
18 the plan and request the legislative council to direct the  
19 legislative services agency to draw a plan. The bill provides  
20 that the petition shall be filed within 30 days after the  
21 adoption of the plan and shall be signed by eligible electors  
22 of the county equal in number to at least 2 percent of the total  
23 votes cast for the office of governor in the county at the  
24 last preceding general election for governor. To be counted,  
25 a signature shall not be dated prior to the date the board of  
26 supervisors approved the plan.

27 The bill provides that once the state commissioner  
28 determines that a valid petition has been filed and has made a  
29 request to the legislative council, the legislative services  
30 agency shall draw a proposed county supervisor districting  
31 plan and submit the plan to the county board of supervisors  
32 who shall approve or reject the plan within thirty days. If  
33 the plan is rejected, the bill provides that the county shall  
34 provide reasons for the rejection to the state commissioner  
35 of elections and the state commissioner shall request the

1 legislative council to direct the legislative services agency  
2 to draw a new county supervisor districting plan in accordance  
3 with the reasons submitted to the extent they are consistent  
4 with the requirements for county supervisor districting plans.  
5 The bill provides that the second plan shall be imposed on the  
6 county by the state commissioner.

7     The bill makes additional changes to relocate provisions  
8 relative to the consideration, review, approval, and  
9 imposition of county supervisor districting plans by the state  
10 commissioner of elections to Code section 331.210A.
